What else would you like to tell the Institute?

- [1.](#) Thank you for your support and interest in my opinion.
- [2.](#) Too much emphasis on business / salability and not enough content focused on true arts integration.
- [3.](#) thanks.
- [4.](#) Thanks for taking the time to do the research and pass on the information - I do find information on the listserv that I would not find otherwise.
- [5.](#) You do an amazing job of information mining. I read many sources and I usually hear it from the Institute first! Keep up the great work - just do it in a weekly format as there are too many emails!
- [6.](#) I really enjoy what you put out.
- [7.](#) Thank you for the great work!
- [8.](#) I love that I can skim the listserv easily and then visit the specific site for more depth when the topic appeals to me. It's quick, easy to skim and I can delete what I don't need. I don't want huge numbers of entries that take more time that I'm willing to give to wade through. I like the current format.
